

Sport Medicine Council of Manitoba Undergraduate Scholarship Terms of Reference

A Scholarship Fund has been established by the Sport Medicine & Science Council of Manitoba to offer financial support to students of its member groups. The Sport Medicine & Science Council of Manitoba is a non-profit organization set up to meet the needs of Manitoba athletes and would like to promote the further education of its member groups in order to better aid the athletes.

The society of the Sport Medicine & Science Council of Manitoba offers to provide an annual award of \$500.00 to promote the achievements and help further the education of our student member groups. The award is to be presented each year at the SMCM Annual General Meeting by the President of the Sport Medicine Council of Manitoba.

The Sport Medicine & Science Council of Manitoba Executive Committee will select the student whom:

1. has achieved a cumulative Grade Point Average of at least 3.5 or equivalent;
2. continues their program in the next ensuing regular academic session;
3. shows outstanding volunteer work related to sport medicine;
4. displays an impressive extra curricular background related to sport medicine;
5. displays competence and dedication to their field, including professionalism, enthusiasm and commitment.

Students cannot win this scholarship in two consecutive years and can receive an application through the Sport Medicine & Science Council of Manitoba. Students should fill out this scholarship application and include with it a copy of their transcripts. The application is to be sent to the Sport Medicine & Science Council of Manitoba office and the Selection Committee will select a winner.

Scholarships will be evaluated based on an established scale. Please pay attention to the total points available for each section.
